**This letter only applies to those candidates whose Written Exam status is listed as
"QUALIFIED".**

April 4, 2005

Dear Candidate:

Congratulations, you were successful in passing the Firefighter-Firefighter/Paramedic Written Examination for the Sacramento Metropolitan Fire District. Your score placed you in the group that will continue further testing. Please read this letter carefully as it contains explanatory information of your next appointment in the examination process.

The next phase of the process will be an assessment of candidates physical abilities. The District will use the Candidate Physical Ability Test (CPAT), developed by the International Association of Firefighters and the International Association of Fire Chiefs to assist in this evaluation. This is a structured test process designed to evaluate whether candidates possess the minimum level of fitness to enter training for the demanding occupation of Firefighter.

CPAT orientations have been scheduled for Saturday, April 23 and Sunday, April 24, 2005. The orientation is **mandatory**. At the orientation, candidates will be given information for test preparation, advised of test scoring criteria, shown the test processes, and have an opportunity to handle the props used in the actual test. Candidates will be provided a "CPAT – Candidate Preparation Guide" with additional information on exercises and practices that may be helpful in preparing for the test.

The orientation will be conducted at McClellan Park, formerly McClellan AFB, 2409 Dean Street, in building 686. Please see the attached map. **Your orientation appointment (date and time) is listed below next to your Written Exam status. Please arrive ten (10) minutes prior to your scheduled time.**

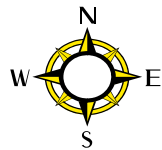

Please be prepared to spend approximately three (3) hours at the orientation. To participate in this orientation and agility events, you must wear comfortable clothes with the following requirements: Long pants and non-slip shoes are required. Open toe shoes will not be allowed. Candidates that appear without the appropriate attire will not be allowed to participate in the orientation events. No other orientation times will be available.

Please remember that an important part of the overall testing process is your ability to follow instructions. Do not contact a District station, training personnel, or District Administration regarding this testing procedure. If you do not plan to continue with the testing process, please contact the Human Resources Division at 916-566-4433. We wish to thank you for your interest in becoming a part of our team and hope that you find this process a valuable first step in a long and healthy fire career.

CPAT Orientation results and Panel Oral Interview invitations will be posted on our website by the close of business on **Tuesday, April 26, 2005**, as well as at our administration building for those of you who do not have access to a computer.
